

Saferight Training Courses

Verification of Competency (VOC)

Overview

SAFERIGHT is a Registered Training Organisation (Provider No 5722) who can provide clients with verification of competency for employees and contractors to identify any gaps in existing certification skills and to identify opportunities for employee upskilling.

SAFERIGHT has a team of Accredited Assessors who have an extensive knowledge base in a wide range of industrial/mining areas, however specialising in Working Safely at Heights and Confined Spaces Entry. These Assessors are available to perform Verification of Competencies for your employees and contractors ensuring that you maintain an efficient and competent workforce that has up to date skills and current industry "best practice" knowledge.

For more information please contact our Training Co-ordinator on 1800 352 335 or email training@saferight.com.au.
